    - ii. Some sort of poster will also be produced for this movie
3. Jeff-James Hansen Talk
  - a. James Hansen is not available to come to Bloomsburg University
  - b. They offered us a list of names who might possibly be interested talking
  - c. Dr. Jennifer Whisner also sent a list of possible speakers
  - d. We will create an agenda of what we want to do for the next meeting
4. Jeff-350.org
  - a. 350.org is doing a tour across the country
  - b. This tour will deal with conserving energy and decreasing our carbon footprint
  - c. We would like to get a group to attend and participate
    - i. We will talk to the Geography and Planning Society and HOPE
  - d. We will talk to Brett Simpson from QUEST also
  - e. We will also look for a bus with a driver
5. Jeff-Banner
  - a. We are going to look into having at least one GCI banners made
    - i. One large one for big events and a few small ones for doors or tables

- ii. esigns.com could be an option to produce banners
  - iii. we would like to have our website on the banner
- 6. Jeff-GCI LOGO
  - a. We would like to have a GCI logo produced for things we have done around campus such as recycling bins
  - b. Oren will talk to Sue O'Donnell and see if her drawing class can create something
- 7. Jeff-Light Switch Project
  - a. This is a new project that involves putting covering stickers on light switch covers to remind people to turn off the lights
  - b. Kyle will research more into this project
- 8. Jeff-Solar Array Kiosk
  - a. The kiosk should be done by earth day 2013
  - b. It will be designed similar to a bus stop shelter
  - c. There will be a 27" digital computer screen, along with 2-100 watt solar panels
  - d. One panel will move with the sun and one will be able to be controlled by the students to show how changes can affect power
- 9. Energy Monitoring
  - a. Power monitors are now being installed in five buildings
  - b. These monitors have Ethernet cable outputs
  - c. We can use these power monitors to have dorm power competitions
  - d. This is all dealing with the universities new master plan
    - i. We are going to ask Dr. Sandra Kehoe-Forutan to have a discussion on planning so we can understand more about it in the near future
    - ii. We would like to have this meeting in a classroom and advertise it somewhat for whoever would want to attend
- 10. Morgen-REC's
  - a. Showed a video that spoke of renewable energy
    - i. This company offered a renewable energy certificate (REC)
    - ii. These tickets could be purchased and the money from them would subsidize clean renewable energy sources
    - iii. REC's were only available for large corporations for a long time, but now they are available to private citizens
- 11. Jeff-Closing Notes
  - a. Oren will get poster info for the movie series, he will also work on dates and advertisement
  - b. Tim will look into getting banners created for the GCI
